

Larry Fink's 2021 letter to CEOs

BLACKROCK Larry Fink, Chairman & CEO BlackRock

Dear CEO, BlackRock is a fiduciary to our clients, helping them invest for long-term goals. Most of the money we manage is for retirement – for individuals and pension beneficiaries like teachers, firefighters, doctors, businesspeople, and many others. It is their money we manage, not our own. The trust our clients place in us, and our role as the link between our clients and the companies they invest in, gives us a great responsibility to advocate on their behalf...

The ESG/TSR Activist “Pincer Attack”

Andrew R. Brownstein, Steven A. Rosenblum.

Companies need to prepare for a new strategic threat: a two-front “pincer attack” from environmental, social and governance (ESG) activists, on the one side, and financial total shareholder return (TSR) activists, on the other. An ESG activist attack presents an opportunity for TSR...

The Changing Face of Activism

James E. Langston, Claire Schupman

As we enter 2021, shareholder activism continues to evolve. The traditional campaigns waged by repeat activists leveling familiar critiques will undoubtedly persist into the new year and beyond. But by now most companies are well-versed in the old activist playbook and have...
